PART II: Financial Policy

This agreement is to inform you of your financial obligation to our practice. If you have any questions or need assistance, please contact us – *we will be happy to help.*

TERMS & CONDITIONS

- *Payment is required at the time of service* unless prior arrangements have been made.
- We accept cash, checks, money orders, VISA® or MasterCard.® Payment plans may be setup through CareCredit.®
- If you have insurance, it is your responsibility to contact your insurance carrier to find out what portion of the fees will be covered by your plan. A 5% service charge for the total cost of service will be applied if the "patient responsible" portion is not paid on the day of service.
- If you do not have insurance we offer a 10% senior discount for patients 65 and older when payment is made on the day of service. For those under 65 we offer a 5% discount when payment is made by cash or check.
- Insurance billing will be done for you as a courtesy. We must emphasize that our relationship is with you and not with your insurance company. Insurance companies use the term "Usual and Customary" when setting fee limitations for individual policy contracts. The term suggests, but does not necessarily reflect the average fees charged by dentists in your community. Please be aware that some insurance companies will pay a claim percentage based on "their" usual and customary, and not the actual charges. Therefore, the difference is your responsibility.
- Returned checks will be assessed a **$25.00** NSF (Non-Sufficient Funds) fee. We will require you pay this charge as allowed by Oregon law in order to clear your record with our office. Partial payments are not acceptable on returned checks.
- Except in emergency situations, you can expect us to be on time for you. We would appreciate the same courtesy. If for some reason you are unable to keep your appointment and need to cancel, please notify us **24 hours** in advance. A **$75-$200 per hour** charge may be made if you fail to show up for any appts.
- If this agreement is placed in the hands of a collection agency or an attorney for collection, the non-prevailing party agrees to pay reasonable attorney's fees and costs as set by the court having jurisdiction, including cost in any appellate court.

AUTHORIZATION

- I have read the financial policy.
- I understand and accept the financial and the dental insurance policies listed and have had any and all questions answered to my satisfaction.
- I agree to pay for all treatment as described so as to avoid any additional fees.
